**Event:** This ever popular event is a three night rally to cover the whole weekend. The actual steam event is open for two days, Saturday and Sunday. There is every type of transport on show from model railways to aircraft flying overhead including steam rollers, lorries and tractors some a century old. There is also a market, country fayre, horse drawn wagons and a programme of events in the show ring. Of course there's the obligatory beer tent and various food stalls around.
